

## CHINA MIST® BAG-IN-BOX ICED TEAS

In 1982, China Mist® began producing the world's first gourmet iced tea for the foodservice environment. We travel the world in search of the finest and highest quality tea leaves, herbs and spices to create the most refreshing and flavorful glass of iced tea available. China Mist® Iced Tea consistently delivers a smooth, flavorful finish that leaves the mouth refreshed and satisfied.

China Mist® is proud to present the first gourmet bag-in-box (BIB) iced tea with all the quality and taste guests have come to expect from China Mist Fresh Brewed Iced Tea. China Mist Bag-in-Box Iced Tea comes in four refreshing iced tea blends.
